II.1.4) Short description

The Authority, as the contracting entity, is tendering for the supply of ELECTRONIC SECURITY SERVICES (ESS) & THIRD PARTY ALARM SYSTEMS (TPAS) Services to the MPS. The MPS/Authority is seeking, through this tendering process, to award a contract with suitably capable Bidders to provide these Services for an initial term of 4 years and a unilateral option for the MPS/Authority to extend for further periods of 1 year, up to a maximum of 2 years.

This is a requirement by the Mayor's Office for Policing and Crime (MOPAC), to procure a contract for the provision of support and maintenance of Electronic Security Services (ESS) and Third Party Alarm Systems (TPAS) across the MOPAC Estate and the wider Greater London Area. Third Party Alarm Systems are provided to discrete high-priority sites which are not part of the Authority/MPS Estate.

The MPS operates complex, highly sensitive and high profile sites within the MOPAC Estate and places a high priority on the protection of its staff, building users, and physical and data assets. These need 24/7/365 protection from a wide range of threat actors. The MPS invests significantly in maintaining and improving a wide variety of protective security measures, including electronic security measures, the subject of this tender.

II.1.5) Estimated total value

Value excluding VAT: £12,000,000

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for one lot only

Maximum number of lots that may be awarded to one tenderer: 1

The contracting authority reserves the right to award contracts combining the following lots or groups of lots:

The ESS Contract has 2 service elements. These are;

1. The main ESS element, which is sub-divided into North and South areas

- Lot A - Electronic Security Services - North Area
- Lot B - Electronic Security Services - South Area

2. The TPAS element, which is a pan-London service.

Suppliers must bid for at least one of the ESS lots and the TPAS element. A supplier will only be awarded a maximum of 1 lot (A or B), with the TPAS element being awarded to one of the two successful suppliers of Lot A or Lot B, based on the outcome of a separate technical and cost evaluation.
