Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Maintenance and Service of the Gas Compressors located at Greenwich Generating Station

Reference number

DN587660

II.1.2) Main CPV code

- 50000000 - Repair and maintenance services

II.1.3) Type of contract

Services

II.1.4) Short description

Maintenance of 3 gas compressors at Greenwich Generating Station

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

London Underground has an emergency power supply known as CEPS (Central Emergency Power Supply). CEPS includes 3 gas compressors which are approximately 45 years old.

LUL is seeking to award a contract for the maintenance of the gas compressors. This will include the following services:

- Annual inspections
- Testing
- Routine maintenance
- Repairs
- Unplanned technical support (phone and on site)

Proposed works may also include any design works for the existing system. Technical services may be necessary to evaluate the demand requirements of any future new parts.

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

This contract is subject to renewal

Yes

Description of renewals

It is expected that the contract will include the possibility of renewal for an additional 24 months.

II.3) Estimated date of publication of contract notice

12 January 2022

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes
