Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions

Applicants should refer to II.2 of this Contract Notice for further details in respect of appointment to the individual Lots across the Framework Agreement.

Applicants may bid for one, more than one or all of the Lots and Applicants should refer to the Invitation to Tender for more information in respect of this.

The term of contracts formed under the Framework Agreement may continue beyond the end of the term of the Framework Agreement itself.

NHS Supply Chain expects to provide successful Suppliers with the opportunity to offer additional savings to customers through the provision of discounted pricing, value added offerings and commitment initiatives.

NHS Supply Chain will share savings information in order to assist its customers with making informed procurement decisions.

The Framework Agreement will be between NHS Supply Chain and the Supplier. Under the Framework Agreement there will be two different methods of supply - one for Non-Direct Contract Products and one for Direct Contract Products.

NHS Supply Chain will be entitled to purchase the supplies and/or services identified in the tender documents as Non-Direct Contract Products which it will then make available for purchase by 1) any NHS Trust; 2) any other NHS entity; 3) any government department, agency or other statutory body and/or 4) any private sector entity active in the UK healthcare sector.

For the supplies and/or services identified as Direct Contract Products in the tender documents; 1) NHS Supply Chain; 2) any NHS Trust; 3) any other NHS entity; 4) any government department, agency or other statutory body and/or 5) any private sector entity active in the UK healthcare sector will be able to enter into a direct contract with the Supplier for any of the supplies and/or services under the Framework.

Electronic ordering will be used and electronic invoicing will be accepted and electronic

payment will be used. For the avoidance of doubt, and notwithstanding the estimate indicated at II.2.1, NHS Supply Chain does not guarantee any level of purchase through the framework and advises Applicants that the framework shall be established on a non-exclusive basis. Tenders and all supporting documentation for the contract must be priced in sterling and written in English. Any agreement entered into will be considered a contract made in England according to English law and will be subject to the exclusive jurisdiction of the English Courts. NHS Supply Chain is not liable for any costs (including any third party costs fees or expenses incurred by those expressing an interest, participating or tendering for this contract opportunity. NHS Supply Chain reserves the right to terminate the procurement process (or part of it), to change the basis of and the procedures for the procurement process at any time, or to procure the subject matter of the contract by alternative means if it appears that it can be more advantageously procured by alternative means. The most economically advantageous or any tender will not automatically be accepted. All communications must be made through NHS Supply Chain's eTendering portal at <https://nhssupplychain.app.jaggaer.com//> using the Message Centre facility linked to this particular contract notice.

Please note that the maximum number of suppliers as set out in IV.1.3 is an estimate only.

III.1.2) Economic and financial standing

Selection criteria as stated in the procurement documents

III.1.3) Technical and professional ability

Selection criteria as stated in the procurement documents

III.2) Conditions related to the contract

III.2.2) Contract performance conditions

The Framework Agreement includes obligations with respect to environmental issues and a requirement for successful suppliers to comply with the NHS Supply Chain Code of Conduct.

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Open procedure

IV.1.3) Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

Framework agreement with several operators

Envisaged maximum number of participants to the framework agreement: 54

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

IV.2) Administrative information

IV.2.1) Previous publication concerning this procedure

Notice number: [2024/S 000-019702](#)

IV.2.2) Time limit for receipt of tenders or requests to participate

Date

10 February 2025

Local time

3:00pm

IV.2.4) Languages in which tenders or requests to participate may be submitted

English

IV.2.6) Minimum time frame during which the tenderer must maintain the tender

Duration in months: 9 (from the date stated for receipt of tender)

IV.2.7) Conditions for opening of tenders

Date

11 February 2025

Local time

9:00am

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: Yes

VI.2) Information about electronic workflows

Electronic ordering will be used

Electronic invoicing will be accepted

Electronic payment will be used

VI.3) Additional information

Submission of expression of interest and procurement specific information:

This procurement exercise will be conducted on the NHS Supply Chain eTendering portal at <https://nhssupplychain.app.jaggaer.com//>

Candidates wishing to be considered for this contract must register their expression of interest and provide additional procurement-specific information (if required) through the NHS Supply Chain eTendering portal as follows:

Registration.

1. Use URL <https://nhssupplychain.app.jaggaer.com//> to access the NHS Supply Chain Procurement portal.
