I.3) Main activity

Defence

I.4) Contract award on behalf of other contracting authorities/entities

The contracting authority/entity is purchasing on behalf of other contracting authorities/entities:

No

Section II: Object**II.1) Title attributed to the contract by the contracting authority/entity:**

Digital and IT Professional Services (DIPS) Framework

II.2) Type of contract and location of works, place of delivery or of performance

Services

Service category No 24: Personnel placement and supply services

NUTS code

- UKK - South West (England)

II.4) Short description of nature and scope of works or nature and quantity or value of supplies or services

Recruitment services. Technical services. Services furnished by professional organisations. Recruitment services. Technical services. Services furnished by professional organisations. Recruitment services. The United Kingdom Ministry of Defence is considering the placement of a contract for the Digital and IT Professional Services (DIPS) Framework, previously referred to as the Flexible Delivery Partner Framework covering all delivery enabling Professional Service requirements for up to four years.

The new framework will be advertised under the Defence and Security Public Contract Regulations 2011 as a Multi-Lot Framework that will utilise several selected suppliers against a wide range of capability and experience. The MoD will define but not be constrained to the capability areas that will be established across the Lots. It is anticipated that between 3 - 7 suppliers per Lot may be successful across 6 Lots.

The estimated value of this contract is @ £300M per year, with a 4-year contract duration. For the first 2 years the Ministry of Defence will manage the Framework, and after the 2nd year anniversary it will transition to Crown Commercial Services for the remainder of the term.

Estimated value excluding VAT

£1,200,000,000

Lots

This contract is divided into lots: No

II.5) Common procurement vocabulary (CPV)

- 79600000 - Recruitment services

Additional CPV code(s)

- 71356000 - Technical services
- 98112000 - Services furnished by professional organisations

II.6) Scheduled date for start of award procedures and duration of the contract

Scheduled date for start of award procedures: 25 January 2021

II.7) Additional information

The new framework will be a multi-lot framework organised around capability and skills across the full IT Spectrum. The services will be divided into six lots, as shown below. Each lot will consist of circa three to seven providers, and a provider can be successful in multiple lots.

- Lot 1 - Solution, Enterprise, Technical Architecture, Data & Knowledge Information Management
- Lot 2 - Dev, Apps, UX, Dev Ops, Sys Design & App Support
- Lot 3 - Cyber Security, Crypto, Sec Ops & Integrated Systems
- Lot 4 - Infrastructure Data Centre, Hardware Engineers & Telecoms
- Lot 5 - Project, Portfolio & Programme Management (P3M)
- Lot 6 - Intelligence Solutions

Lot definitions, service requirements and role requirements against each lot are currently being finalised.

Section III. Legal, economic, financial and technical information

III.1) Conditions relating to the subcontract

III.1.1) Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them:

The method of payment for this Contract will be via invoice submitted via CP&F (MOD's electronic Contracting Purchasing and Finance) system. Other methods (i.e. manual invoicing) will not be considered.

If you are unfamiliar with CP&F please see the following link:

<https://www.gov.uk/government/publications/mod-contracting-purchasing-and-finance-e-procurement-system/cpf-guidance-for-suppliers>

Section VI: Complementary information
