Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

Section VI. Complementary information

VI.3) Additional information

NWSSP Procurement Services in collaboration with the NCCU established a National Collaborative Framework Agreement.

This is not a call for competition but an opportunity for the providers within this market to meet with the NWSSP and the NCCU.

The current framework agreements for Adult Mental Health/Learning Disabilities Hospitals and Child and Adolescent Mental Health Services expire on 31st March 2022. It is the intention to combine the procurement process for the proposed arrangements going forward.

IMPORTANT: In line with the Public Contracts Regulations 2015 (as amended) NWSSP Procurement Services and the NCCU wish to hold a Preliminary Market Engagement (PME) event. The PME will be a virtual event via Microsoft Teams, on Thursday 4th February 2021. The event will consist of a presentation in the morning followed by a question and answer session. There will also be an opportunity for providers to meet individually

with NWSSP Procurement Services and NCCU representatives in the afternoon.

Next Steps-if your organisation is interested in attending the above detailed event, please respond to the e mail address below confirming the names and positions of proposed attendees, and an email address for attendees. Email to express interest:

david.makani@wales.nhs.uk

The PME stage is an opportunity for NWSSP and NCCU to inform current

providers and potential bidders of the proposed changes to the framework agreements and will be an opportunity test directions and

options before entering into a procurement process for the new framework agreement for Adult

Mental Health, Learning Disability and CAMHS Hospitals.

Current providers/potential bidders should note that this engagement event together with any other soft market sounding in relation this

proposed procurement, may not necessarily lead to a formal procurement and/or award of any contracts.

Further, that any information provided by current providers/potential bidders during this engagement event, may be used by NWSSP and NCCU to help to scope the proposed procurement/services and may also be shared widely with other current providers/potential bidders. Accordingly, current providers/potential bidders are advised not to share any confidential information and/or information they would not wish to be shared more widely. NWSSP/NCCU accepts no liability for any costs incurred by current providers/potential bidders as a result of attending the

engagement event nor any liability for costs incurred in respect of any bidding or preparatory work carried out by the providers and/or bidders

It is intended that all information provided and gathered will be publicly available in the form of frequently asked

questions or in any format determined by NWSSP which shall be available to any candidates/and or bidders to ensure transparency and
