Services

II.1.4) Short description

LLA is inviting proposals from Car Parking Consolidators within the contract and this document, also defined as Suppliers to drive incremental car parking bookings for LLA. LLA requires the winning bidders to integrate with LLA's ecommerce API to obtain products and pricing, and to ensure cancellation criteria are met. LLA requires the use of the Framework Contract to drive bookings throughout the duration of the contract and requires successful bidders to be flexible in their approach to receiving LLA's parking inventory. LLA reserves the right to switch on and turn off inventory at the car park and or product level. This will be done via the API and will occur automatically as and when required.
