II.1.1) Title

Design and Flood Modelling Services for Our City Our River (OCOR)

Reference number

TD1953

II.1.2) Main CPV code

- 71313000 - Environmental engineering consultancy services

II.1.3) Type of contract

Services

II.1.4) Short description

This notice is to advise that Derby City Council ("the Council") intends to enter into contractual arrangements with Binnies UK Limited (formerly Black & Veatch) for the provision of design and flood modelling technical support and services to the Our City Our River (OCOR) programme.

The Environment Agency have recently approved the updated and stabilised existing OCOR model. This model data now needs the additional information of the remaining OCOR proposals, for model runs to be undertaken for a series of flood scenarios and review the current understanding of the impact of the proposed realignment of the flood defence line at Derby Riverside, as a quick fact checking exercise, prior to commencing the further work on the OCOR Flood Risk Assessment for the OCOR full-detail planning application to be submitted for consideration.

II.1.6) Information about lots

This contract is divided into lots: No

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £250,000

II.2) Description

II.2.2) Additional CPV code(s)

II.2.4) Description of the procurement

Provision of design and flood modelling technical support and services to the OCOR programme.

The Environment Agency have recently approved the updated and stabilised existing OCOR model. This model data now needs the additional information of the remaining OCOR proposals, for model runs to be undertaken for a series of flood scenarios and review the current understanding of the impact of the proposed realignment of the flood defence line at Derby Riverside, as a quick fact checking exercise, prior to commencing the further work on the OCOR Flood Risk Assessment for the OCOR full-detail planning application to be submitted for consideration.

The initial term of the commission is estimated to commence 1 February 2023 and end 31 December 2026, with an option to extend for a further 2 x 12months periods, Longstop end date is 31 December 2028, subject to requirements of the OCOR programme.

The Council intends to enter into contractual arrangements with Binnies UK Limited (formerly Black & Veatch). The negotiated procedure without prior publication is being used and is justified under Regulation 32 (9) Additional ground relevant to new works or services which repeat similar ones. The negotiated procedure without prior publication may be used for new works and services consisting of the repetition of similar works or services entrusted to the economic operator to which the same contracting authority awarded an original contract, provided that such works or services are in conformity with a basic project for which the original contract was awarded following a procedure in accordance with regulation 26(1) and (2).

Binnies UK Limited (formerly Black & Veatch) have extensive knowledge of the EA Derwent Flood Model for the OCOR stretch of the river Derwent. They were contracted to deliver previous OCOR flood modelling and technical support and advice. Binnies have also more

recently completed the successful hydrology and non-stationarity update of the OCOR flood model.

II.2.5) Award criteria

Price

II.2.11) Information about options

Options: Yes

Description of options

Option to extend for a further 2 x 12months periods, Longstop end date is 31 December 2028, subject to requirements of the OCOR programme.

II.2.14) Additional information

The Council will be observing a 10 day standstill period from the publication of this notice.
