For Lot 11, FCDO reserve the right to increase to 10 suppliers if FCDO determine that there is insufficient coverage in thematic expertise. Insufficient coverage in Lot 11 is defined as when there are any relevant capabilities (as per the Lot 11 Capability Matrix column A, see ITT Volume 3, Annex 3), that none of the top ranked 7 suppliers for Lot 11 have indicated they have capability to deliver (per the Capability Matrix returns). The suppliers ranked 8 to 10 will be awarded a place in the Lot if there is insufficient coverage amongst the top 7 ranked suppliers and adding the suppliers ranked 8 to 10 would increase the suppliers with the capability that has insufficient coverage by at least one supplier.

In the event that the highest combined Technical, Social Value, and Commercial Score results in a tie, the Contract/Framework Agreement will be offered to the Potential Supplier who achieves the highest overall score for the Technical criteria.

In the event that the highest scoring Potential Supplier declines to enter into the Contract/Framework Agreement, FCDO may choose to proceed to contract award with the next highest scoring Potential Supplier.

Description of options

Options to extend and increase value

Please note the estimated value of this requirement is up to a maximum of GBP 3 000 000 000 split across 14 lots. This figure includes a value of GBP 1 500 000 000 covering all fourteen lots for the initial 24-month term and the possible 2 x 12-month extensions at a value of GBP 1 500 000 000 covering all fourteen lots. The estimated value includes all applicable taxes, and tenderers should include all applicable taxes in their tenders. Please note that the estimated value above represents a maximum Framework value.

The timeframe may be extended subject to satisfactory performance of the suppliers, continuing need, availability of funding, and the agreement of the suppliers and FCDO.

Options on awarding places on the Framework

Following the completion of the evaluation the Contract/Framework Agreement will be offered to the Top 15 Potential Suppliers who meet the required capability and achieves the highest combined Social Value Score, Technical Score, and Commercial score for each Lot.

In each Lot, with the exception of Lot 11, FCDO reserve the right to increase to 20 suppliers if FCDO determine that there is insufficient coverage in thematic expertise. Insufficient coverage in any Lot is defined as when there are any capabilities relevant to that Lot (as per the Capability Matrix column B, see ITT Volume 3, Annex 3), that fewer than 3 of the top 15 ranked suppliers for that Lot have indicated they have capability to deliver (per the Capability Matrix returns). The suppliers ranked 16 to 20 will be awarded a place in the Lot if there is insufficient coverage amongst the top 15 ranked suppliers and adding the suppliers ranked 16 to 20 would increase the suppliers with the capability that has insufficient coverage by at least one supplier.

For Lot 11, FCDO reserve the right to increase to 10 suppliers if FCDO determine that there is insufficient coverage in thematic expertise. Insufficient coverage in Lot 11 is defined as when there are any relevant capabilities (as per the Lot 11 Capability Matrix column A, see ITT Volume 3, Annex 3), that none of the top ranked 7 suppliers for Lot 11 have indicated they have capability to deliver (per the Capability Matrix returns). The suppliers ranked 8 to 10 will be awarded a place in the Lot if there is insufficient coverage amongst the top 7 ranked suppliers and adding the suppliers ranked 8 to 10 would increase the suppliers with the capability that has insufficient coverage by at least one supplier.

In the event that the highest combined Technical, Social Value, and Commercial Score results in a tie, the Contract/Framework Agreement will be offered to the Potential Supplier who achieves the highest overall score for the Technical criteria.

In the event that the highest scoring Potential Supplier declines to enter into the Contract/Framework Agreement, FCDO may choose to proceed to contract award with the next highest scoring Potential Supplier.
