**VII.2) Information about modifications**

**VII.2.1) Description of the modifications**

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

This modification notice relates to MT1016.

Smart Data Foundry (SDF) require to extend the services currently provided under the contract SDF Design Agency, reference MT1016, to include Primary Customer Website, Aizle Product Website and Regional Intelligence Hub.

The aforementioned websites proposed in the contract modification, were not included in the initial procurement and cannot be provided by another supplier due to the tightly coupled nature of the customer portal and websites.

### **VII.2.2) Reasons for modification**

Need for additional works, services or supplies by the original contractor/concessionaire.

Description of the economic or technical reasons and the inconvenience or duplication of cost preventing a change of contractor:

The additional services proposed in the contract modification, were not included in the initial procurement and cannot be provided by another supplier due to the tightly coupled nature of the customer portal and websites.

Appointing another contract for the aforementioned services would result in a duplication of costs for the University of Edinburgh.

The increase in price to include the above services, does not exceed 50% of the initial contract value.

### **VII.2.3) Increase in price**

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £59,418

Total contract value after the modifications

Value excluding VAT: £182,577
