DN590983

II.1.2) Main CPV code

- 79400000 - Business and management consultancy and related services

II.1.3) Type of contract

Services

II.1.4) Short description

The Liverpool City Region (LCR) Local Authorities and LCRCA are embarking on an exciting and crucial project to develop a high-quality bespoke Race Equality and Anti-Racism training product, with the aim of training all 22,000 Local Authority staff and building our collective level of racial literacy and inclusivity. It is hoped this training investment will create a ripple effect across our entire operations in the Liverpool City Region, contributing to a more inclusive working environment and to drive equality of outcomes for residents through the services we offer.

The project is ambitious, we would like to train everybody across a two-year delivery period face to face (or via a COVID-19 safe medium) and want to ensure the materials created are retained exclusively by our Local Authorities to ensure we can continue to amplify the voices of our Black, Asian and Minority Ethnic communities and evolve the course over time in line with our long-term commitment to strive for racial equality. Local Authority officers and focus groups with staff from Black, Asian and Minority Ethnic backgrounds has confirmed there is an appetite for the learning experience to cover concepts such as structural racism, positive action, privilege and micro-aggression, which are not addressed under our current Equality Act 2010 focused e-learning. The overarching objective is for this learning experience to be both innovative and impactful.

LCRCA is looking to commission suitable consultants or organisation(s) from across the Liverpool City Region (LCR) and beyond to be considered for the development of the Race Equality and Anti-Racism training course and materials as well as delivery of the first phase of training rollout as part of the Race Equality Learning & Development Collaboration project.

We are seeking to engage with potential interested parties to discuss the project and provide additional information about the upcoming tender opportunity, which we intend to release in the coming weeks. To this effect we will be holding two market engagement events on the 26th January and 1st February 2022. There is also a questionnaire attached to the Eventbrite page linked below for potential bidders to provide feedback

around our proposals – which we may use to optimise the ITT Document before formally issuing the tender opportunity. We encourage prospective bidders to complete this questionnaire so we can take account of your views and expertise. Please return the questionnaire to Tender@liverpoolcityregion-ca.gov.uk.

LCRCA welcomes any parties that also wish to apply as a consortium.

To attend you will need to book a place for either of the market engagement sessions. You can do this by booking through Eventbrite, using the link below:
