II.1.4) Short description

National Highways is inviting organisation's to apply to the Social Enterprise Dynamic Purchasing System (SEDPS) to provide Goods and/or Services to National Highways, our Supply Chain and other Government departments across England, Scotland and Wales.

The SEDPS is available to organisation's with primarily social objectives whose surpluses are principally reinvested for that purpose in the business or in the community, rather than being driven by the need to maximise profit for shareholders and owners. We have enabled this DPS to allow our supply chain and other government departments to procure the Goods and/or Services that these organisation's offer. The use of the SEDPS is to further National Highways' commitment to social value, in support of National Highways Social Value Plan. A link to the plan can be found below.

Applications will open on the 14th August 2023. If you are interested in applying to join the SEDPS or would like further information, please contact the National Highways Procurement Team at socialenterprisedps@nationalhighways.co.uk or visit our webpage below.
