II.2.4) Description of the procurement

Requirement for an APP based service and also a device based service to assist staff in their Lone Working environment.

Staff safety will be at the forefront of any solution or device and something that will mitigate risk where possible to offer staff a safer working environment in varying job roles across numerous council department and teams.

Due to the rural nature of Angus, any APP or device would need the functionality to work for example, where there is potentially no immediate GPS signal to use.

Whilst we have no immediate figures for our requirements, it is likely to run into the hundreds.

II.2.14) Additional information

We are currently carrying out a scoping exercise with all interested internal departments to ascertain exact numbers, requirements, risks and outcomes to be achieved by any APP or device provided.

II.3) Estimated date of publication of contract notice

3 March 2025
