## **Section II: Object**

### **II.1) Scope of the procurement**

#### **II.1.1) Title**

HyNet - DECARBONISATION PROJECT

#### **II.1.2) Main CPV code**

- 65210000 - Gas distribution

#### **II.1.3) Type of contract**

Services

#### **II.1.4) Short description**

Cadent Gas Limited (Cadent) is a standalone Gas Distribution business that owns and operates four of the eight UK Gas Distribution Networks, covering the East of England which includes both the East Midlands and East Anglia, London, North West and the West Midlands. Cadent is the largest Gas Distribution company in the UK with a revenue of circa £2,115M per annum. Cadent relishes the role of providing an essential service that keeps the energy flowing to over 11 million homes, schools and businesses through a 131,000-kilometre distribution network.

To contribute to the Climate Change Act 2008, the Governments 10 point plan for a green industrial revolution and ultimately the 2050 Net Zero target, Cadent is working within a consortium to deliver an integrated hydrogen, Carbon Capture Utilisation and Storage (CCUS) system in the North West of England known as the HyNet Decarbonisation Project. Cadent is responsible for developing the dedicated hydrogen distribution system of initially circa 85km of onshore high-pressure hydrogen pipeline and circa 14 Hydrogen Above Ground Installations (HAGI's), including blend points into Cadent's distribution network.

#### **II.1.6) Information about lots**

This contract is divided into lots: Yes

Tenders may be submitted for all lots

The contracting authority reserves the right to award contracts combining the following lots or groups of lots:

Further details are available in the PQQ

## **II.2) Description**

### **II.2.1) Title**

ENGINEERING & PROJECT MANAGEMENT SERVICES

Lot No

1

### **II.2.2) Additional CPV code(s)**

- 76100000 - Professional services for the gas industry

### **II.2.3) Place of performance**

NUTS codes

- UKD - NORTH WEST (ENGLAND)

### **II.2.4) Description of the procurement**

Cadent are now looking to interested parties for the contract award of an Engineering and Project Management Organisation to manage both a FEED+ Contractor and a Land, Consent and Communication Contractor. The Engineering and Project Management Organisation will also be responsible for implementation of project assurance and quality systems pertaining to the FEED+ contractor.

The successful Engineering & Project Management Organisation will also be required to work collaboratively with other existing 3rd Party Cadent/ HyNet contractors.

### **II.2.5) Award criteria**

Price is not the only award criterion and all criteria are stated only in the procurement documents

### **II.2.7) Duration of the contract, framework agreement or dynamic purchasing system**

Duration in months

24

This contract is subject to renewal

No

#### **II.2.10) Information about variants**

Variants will be accepted: Yes

#### **II.2.11) Information about options**

Options: Yes

Description of options

Further details will be released as part of the tender event

#### **II.2.14) Additional information**

Contract duration will be for the length of the services which will be driven by activity schedule; this may be approximately 24 months

### **II.2) Description**

#### **II.2.1) Title**

FRONT END ENGINEERING DESIGN (FEED) + SERVICES

Lot No

2

#### **II.2.2) Additional CPV code(s)**

- 65200000 - Gas distribution and related services

#### **II.2.3) Place of performance**

NUTS codes

- UKD - NORTH WEST (ENGLAND)

#### **II.2.4) Description of the procurement**

Cadent are now looking to interested parties for the contract award of a Front End Engineering Design(FEED+), for circa 85km of onshore high pressure hydrogen pipeline and circa 14 Hydrogen Above Ground Installations (HAGI's), including blend points into Cadent's distribution System. The successful FEED+ contractor will also be responsible for completing and supervising all associated on-site Ground Investigation studies that are

required in order to provide relevant information to the successful Land, Consenting & Communication contractor to deliver a Development Consent Order.

The successful FEED+ party will also be required to work collaboratively with Cadent's appointed Land, Consent and communications, and other existing 3rd Party Cadent/HyNet contractors.

#### **II.2.5) Award criteria**

Price is not the only award criterion and all criteria are stated only in the procurement documents

#### **II.2.7) Duration of the contract, framework agreement or dynamic purchasing system**

Duration in months

24

This contract is subject to renewal

No

#### **II.2.10) Information about variants**

Variants will be accepted: Yes

#### **II.2.11) Information about options**

Options: Yes

Description of options

Further details will be released as part of the tender event

#### **II.2.14) Additional information**

### **II.2) Description**

#### **II.2.1) Title**

LAND, CONSENT AND COMMUNICATIONS SERVICES

Lot No

3

### **II.2.2) Additional CPV code(s)**

- 65200000 - Gas distribution and related services

### **II.2.3) Place of performance**

NUTS codes

- UKD - NORTH WEST (ENGLAND)

### **II.2.4) Description of the procurement**

Cadent are now looking to interested parties for the award of single multi discipline Land, Consenting and Communications Contractor to deliver a Development Consider Order (DCO) in line with the requirements set out in the Planning Act 2008, for circa 85km of high pressure hydrogen pipeline and circa 14 Hydrogen Above Ground Installations (HAGI's) situated in the North West of England. The principal workstreams of the contract will encompass:

- DCO drafting and submission
- Planning and Consent Activities
- Environmental Impact Assessment (EIA) Activities
- Land Rights & Referencing Activities
- Statutory Consultation
- Stakeholder Engagement & Comms Activities

The successful Land, Consenting and Communications contract will also be required to work collaboratively with Cadent's appointed Front End Engineering Design (FEED) and Engineering & PMO Organisation as well as other existing 3rd Party Cadent/ HyNet contractors.

## **Section III. Legal, economic, financial and technical information**

### **III.1) Conditions for participation**

#### **III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers**

List and brief description of conditions

Cadent's None Disclosure Agreement (NDA) will need to be signed prior to PQQ documentation release. NDA's should be sent to [ryarna.vaughan@cadentgas.com](mailto:ryarna.vaughan@cadentgas.com).

Once an NDA has been received additional details will be released as part of the PQQ.

#### **III.1.2) Economic and financial standing**

Selection criteria as stated in the procurement documents

#### **III.1.3) Technical and professional ability**

Selection criteria as stated in the procurement documents

---

## **Section IV. Procedure**

### **IV.1) Description**

#### **IV.1.1) Type of procedure**

Competitive dialogue

#### **IV.1.8) Information about the Government Procurement Agreement (GPA)**

The procurement is covered by the Government Procurement Agreement: No

### **IV.2) Administrative information**

#### **IV.2.2) Time limit for receipt of tenders or requests to participate**

Date

18 February 2021

Local time

10:00am

#### **IV.2.4) Languages in which tenders or requests to participate may be submitted**

English

---

## **Section VI. Complementary information**

### **VI.1) Information about recurrence**

This is a recurrent procurement: No

### **VI.3) Additional information**

Interested tenderers should email [ryarna.vaughan@cadentgas.com](mailto:ryarna.vaughan@cadentgas.com) in the first instance to receive a None Disclosure Agreement (NDA).

Once completed NDA's should be sent back to [ryarna.vaughan@cadentgas.com](mailto:ryarna.vaughan@cadentgas.com). Upon receipt PQQ documentation will be issued with additional instructions.

PQQ information should be sent to [ryarna.vaughan@cadentgas.com](mailto:ryarna.vaughan@cadentgas.com) by the 18th of February 2021 at 10:00.
