II.1.4) Short description

NHS Buckinghamshire Clinical Commissioning Group ("CCG") and NHS Oxfordshire CCG are seeking to commission Community Audiology Services via an Any Qualified Provider ("AQP") process. The aim is to provide a comprehensive and seamless service for adults experiencing hearing and communication difficulties where they might benefit from hearing assessment and rehabilitation including the option of trying hearing aids with aftercare and support. The vision for people with hearing problems is for them to receive high quality, efficient services aligned to their social and psychological needs, delivered closer to home, with short waiting times and high responsiveness to the needs of local communities, free at the point of access. The broad outcomes required of the service are specified below:

- Increased choice and control as to where and when their treatment is delivered
- Personalised care;
- Timely access
- Benefits from chosen interventions.
- Reduction in communication difficulties due to poor hearing;
- Timely direct referral or signposting to other local;
- Direct onward referral to secondary care as appropriate
- Clear guidance and information for patients and their families
- Choice of hearing

intervention; • High levels of satisfaction when accessing the service; The contract length will be for an initial three years, with potential to extend for up to 2 years. Full details will be provided in the Accreditation Document. Bidders should note that Any Qualified Provider ("AQP") contracts let as part of this process will not guarantee any business for accredited providers. Further information will be provided in the Accreditation Documentation. Interested providers will be able to view this notice via the 'current tenders' list on the e-procurement system In-Tend, available on the following link: <https://in-tendhost.co.uk/scwcsu/aspx/Home>.
