Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Supply of Low and Zero Carbon Technologies - Market Engagement Exercise

II.1.2) Main CPV code

- 39715200 - Heating equipment

II.1.3) Type of contract

Supplies

II.1.4) Short description

Procure Plus are a value focused, not for profit company that specialises in the procurement of goods and services related to both the new build, repair, and maintenance of social housing. Procure Plus would like to discuss the products listed below to further its understanding of how these technologies have developed in terms of the size, scope and distribution. Procure Plus would like to engage with organisations who ideally have two years experience in the manufacture or distribution of low and zero carbon technologies. Procure Plus do not wish to engage with consultants as part of this exercise.

Procure Plus would like to hear from organisations who manufacture or distribute any of the following products;

1. Air Source Heat Pumps (Domestic and/or Commercial)
2. Ground Source Heat Pumps (Domestic and/or Commercial)
3. Hot Water Cylinders
4. High Heat Retention Storage Heaters
5. Infra-Red Technologies (Infra-Red Panel Heaters)
6. Smart Controls
7. Photovoltaic and Battery Systems

Suppliers who would like to participate in this exercise will be required to complete a short questionnaire that summarises their organisation and experience before being invited to attend a short meeting. To manage the resource of both the suppliers who express an interest in this exercise and the time of the team at Procure Plus, Procure Plus reserves the right to decline to engage with organisations who do not have the required experience of manufacturing or distributing the products described within this notice. It is expected that the engagement meetings will take place on Tuesdays and Thursdays in February and March 2025 although this timetable may be subject to change.

Procure Plus provides no guarantee that a procurement will be carried out pursuant to this exercise or that it will be carried out within a given period of time. Suppliers who engage with Procure Plus should do so on the understanding that information provided is to support and develop an understanding of the market only. It does not represent information for evaluation purposes, and it will not constitute a tender. Information provided by the suppliers in this exercise will be treated confidentially.

Suppliers who are interested in engaging with Procure Plus pursuant to this notice should register and complete the questionnaire by following the link

<https://tendermanagement.launchcontrol-systems.com/register/index/2ddea35803>.

Procure Plus reserve the right to close the market engagement exercise when sufficient interest has been received.

II.1.6) Information about lots

This contract is divided into lots: Yes

II.2) Description

II.2.1) Title

Supply of air source heat pumps (domestic and/or commercial)

Lot No

1

II.2.2) Additional CPV code(s)

- 42511110 - Heat pumps
- 42533000 - Parts of heat pumps

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

Procure Plus would like to discuss air source heat pumps (domestic and/or commercial) with manufacturers and distributors to further its understanding of how this technology has developed in terms of the size, scope and distribution. Procure Plus would like to engage with organisations who ideally have two years experience in the manufacture or distribution of low and zero carbon technologies. Procure Plus do not wish to engage with consultants as part of this exercise.

II.2) Description

II.2.1) Title

Supply of ground source heat pumps (domestic and/or commercial)

Lot No

2

II.2.2) Additional CPV code(s)

- 42511110 - Heat pumps
- 42533000 - Parts of heat pumps

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

Procure Plus would like to discuss ground source heat pumps (domestic and/or commercial) with manufacturers and distributors to further its understanding of how this technology has developed in terms of the size, scope and distribution. Procure Plus would like to engage with organisations who ideally have two years experience in the manufacture or distribution of low and zero carbon technologies. Procure Plus do not wish to engage with consultants as part of this exercise.

II.2) Description

II.2.1) Title

Supply of hot water cylinders

Lot No

3

II.2.2) Additional CPV code(s)

- 39715000 - Water heaters and heating for buildings; plumbing equipment
- 44600000 - Tanks, reservoirs and containers; central-heating radiators and boilers

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

Procure Plus would like to discuss hot water cylinders with manufacturers and distributors to further its understanding of how this technology has developed in terms of the size, scope and distribution. Procure Plus would like to engage with organisations who ideally have two years experience in the manufacture or distribution of low and zero carbon technologies. Procure Plus do not wish to engage with consultants as part of this exercise.

II.2) Description

II.2.1) Title

Supply of high heat retention storage heaters

Lot No

4

II.2.2) Additional CPV code(s)

- 39715200 - Heating equipment

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

Procure Plus would like to discuss high heat retention storage heaters with manufacturers and distributors to further its understanding of how this technology has developed in terms of the size, scope and distribution. Procure Plus would like to engage with organisations who ideally have two years experience in the manufacture or distribution of low and zero carbon technologies.
