This tender follows on from the previous DN644819 for which we had no bids for the two Plymouth Lots. As a separate tender, the limits imposed on the previous do not apply, so even if you bid on 4 Lots of that tender you are able to submit a bid for this one. In the previous tender, Plymouth was divided into two Lots, in this tender they have been merged into one.

Westward is looking to appoint a contractor to provide high quality and cost-effective grounds maintenance services for its sites in Plymouth. This should contribute to high levels of customer satisfaction, which will enhance the reputation of Westward Housing Group through the maintenance and improvement of its horticultural features on its estates.

There is no requirement for you to have a certain level of turnover in order to submit a tender. We are hoping this will encourage SME's and Micro companies to work with us. WHG are more interested in the quality of your work, that you are qualified and hold the right abilities to carry out the work.
