Section VII. Changes

VII.1) Information to be changed or added

VII.2) Other additional information

Tender Clarification Number 13.

Q1. Have Condition Surveys been done for the buildings?

A1. Yes we have a number of condition surveys which will be made available post appointment, some of which may need updating and as works stages 0 - 7 apply to all consultant disciplines we would be expecting a fresh review of all buildings.

Q2. Has M&E modelling been done for the buildings?

A2. We have had a report on the M&E services within the concert hall and energy centre however no modelling. Any reports would be made available post appointment for background however as works stages 0 - 7 apply to all consultant disciplines we would be expecting a fresh review of all services.

Q3. Are they expecting Principal Designer role?

A3. We can confirm that the Principal Designer / H&S Consultant role is a separate discipline that is currently out to tender on Contracts Finder with the intention that this is appointed directly.
