Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Liverpool Social Health Model: enhanced social prescribing services

Reference number

CMICB/NH/2324/33

II.1.2) Main CPV code

- 85000000 - Health and social work services

II.1.3) Type of contract

Services

II.1.4) Short description

NHS Cheshire and Merseyside Integrated Care Board (ICB) is looking to procure an enhanced social prescribing service for Liverpool in order to equip, systematically, universal and first level health services with rapid access to a core determinants response for their patients. This service will be core element in the delivery of a proportionate and integrated model of social health, improving the way health and care services routinely respond to non-clinical risk factors, particularly those associated with deprivation and mental distress. The service will integrate with priority healthcare pathways and primary care based social prescribing schemes across the city.

II.1.5) Estimated total value

Value excluding VAT: £1,100,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 85100000 - Health services

II.2.3) Place of performance

NUTS codes

- UKD72 - Liverpool

II.2.4) Description of the procurement

The main objectives of setting up a Social Model of Health Services contract is as follows:

- Improved social, health and well-being outcomes for patients
- Improved access to health and wellbeing assets in the community
- Reduced demand on adult social care, primary care and acute services
- A social welfare offer which is fully integrated into primary care and social prescribing services
- A blended social welfare and wellbeing offer for patients from mental health, pathway 0, perinatal, cancer, respiratory, urgent care services

- Improved well-being, quality of life, social inclusion, community connectedness
- Strengthened economic wellbeing and economic resilience
- Reduced duplication and fragmentation across social prescribing and well-being services in Liverpool
- Contribution to the outcomes and evidence-base for social prescribing
- Promotion of self-care and the six ways to wellbeing
- Provision of advice clinics for patients in health and community settings
- Support for individuals and families to identify and access appropriate activities, assets, information and advice, develop and improve social connections
- Help build health and wellbeing capacity in communities
- Develop and strengthen effective partnerships and pathways
- Appropriately support the service user to achieve their personal objectives
- Collate, analyse and report to Commissioners on model impact

II.2.14) Additional information

This PIN is to alert the market in advance of the publication of the Invitation to Tender (ITT) w/c 12/02/2024

II.3) Estimated date of publication of contract notice

14 February 2024

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

Section VI. Complementary information

VI.3) Additional information

It is anticipated that the contract term of the new Social Model of Health contract will be up to 5 years (3+2) and the estimated contract value is in the region of £1.1m.

For the avoidance of doubt, the estimated contract value is not a contractual commitment but to make the market aware of the budgetary limit set by the contracting authority for the provision of this service.
