II.1.4) Short description

The UK Centre for Ecology and Hydrology (UKCEH) is a world-class research organisation focusing on land and freshwater ecosystems and their interaction with the atmosphere.

In our science we cover:

? Natural hazards

? Water resources

? Pollution & environmental risk

? Soil

? Sustainable land management

? Natural capital

? Monitoring and observation systems

? Environmental informatics

? Ecological process and resilience

? Biosphere-atmosphere interactions.

UKCEH works with businesses, policy-makers and environmental practitioners across the globe to develop innovative products and services from cutting edge science. We nurture robust multidisciplinary, national and international research collaborations as well as engaging society with our research.

UKCEH's mission is to undertake world-class research of terrestrial and freshwater ecosystems that underpins evidence-based decisions and innovation by policy-makers and business, and engages with people, supporting sustainable development and improving society's environmental legacy.

UKCEH operates four sites in the United Kingdom, the largest of which is based at Wallingford and is also the primary location, which houses the central financial function.

This procurement is to award a contract to provide cleaning and/or security services at our Wallingford site for a minimum of two and maximum of four years.
