Description

ONR has a number of key security certifications which it holds in order to assure our stakeholders that our security policies, processes, networks and systems are secured to industry standards.

It is a mandatory condition for participation that suppliers must hold UKAS Accreditation.

The purpose of this project is to procure audit services for ISO27001 to maintain our ISO 27001:2022 certification status due to contract expiration with our existing supplier. Successful and continued ISO 27001 certification validates our security arrangements as an organisation, and is a fundamental contributor to ONR's security reputation and ambition to be an exemplar of good security practice.
