Section II: Object

II.1) Scope of the procurement

II.1.1) Title

TETRA Airwave Terminal Products and Services

Reference number

PDSCN-148-2021

II.1.2) Main CPV code

- 32000000 - Radio, television, communication, telecommunication and related equipment

II.1.3) Type of contract

Supplies

II.1.4) Short description

The Police Digital Service is seeking to procure a multi-supplier framework agreement that can be used by the Police, Ambulance, Fire and Rescue and other Airwave user organisations within the public sector, including Ofcom List of Generic and Sharer Organisations, for the provision of Terrestrial Trunked Radio (TETRA) compatible handsets, software, accessories, services and maintenance for use on the UK Airwave system. The formation of the procurement requirements and options for this framework will be determined as a result of pre-market engagement which will commence on Friday 4th February 2022. Market engagement is expected to inform the Police Digital Service on supplier interest and capability in relation to the delivery of TETRA handset products and services. Further information regarding details on how to register to participate on the day and contact information can be found on the Police Digital Service website page:

<https://pds.police.uk/new-opportunities-for-suppliers/>.

II.1.5) Estimated total value

Value excluding VAT: £50,000,000

II.1.6) Information about lots

This contract is divided into lots: No
