II.1) Scope of the procurement

II.1.1) Title

Future Theory Test Service (FTTS) Test Centre Network (TCN)

Reference number

K280020852

II.1.2) Main CPV code

- 80411100 - Driving-test services

II.1.3) Type of contract

Services

II.1.4) Short description

The Driver and Vehicle Standards Agency (DVSA), an executive agency of the Department for Transport, acting in its capacity as procurement agent on behalf of The Secretary of State for Transport has undertaken a procurement process adopting the Competitive Dialogue procedure (Contract Notice 2019/S 213-523071) for the provision of the Regional Test Centre Networks ("TCN") across Great Britain and Northern Ireland for its Future Theory Test Service (FTTS). The contracts are also for the benefit of the driver and vehicle agency (an executive agency of the Northern Ireland Department for Infrastructure) . The TCN is packaged into three regional Lots, Having completed this competition, DVSA has appointed the successful suppliers for each of the three regional Lots in accordance with the procedures set out in the procurement documents, including the detailed contract award process.

II.1.6) Information about lots

This contract is divided into lots: Yes

II.1.7) Total value of the procurement (excluding VAT)

II.2.4) Description of the procurement

The DVSA is appointing a supplier for Region A: Scotland, Northern Ireland, North West, North East, Yorkshire and Humberside. The current Theory Test contract covering this area expires on the 3rd September 2021 with the replacement TCN Service coming into effect from 4th September 2021 as part of the Future Theory Test Service (FTTS). The contract is for an implementation period followed by 5 years and renewal options of up to 24 months. The total estimated value of the contract for Lot 1 is £73,600,000 (this value is calculated based on the forecast upper volume limits and assumes the maximum term). Please note that in the event of cross contract step-in rights being exercised by DVSA (i.e. a contractor for another TCN region taking on all or part of this contract) the value of the services (or part thereof) of the contract awarded for this Lot subject to such cross contract step-in, will be deemed to have transferred over to the contract with the contractor for the other TCN region that steps in.

II.2.5) Award criteria

Quality criterion - Name: As detailed in the procurement documents / Weighting: 65

Cost criterion - Name: As detailed in the procurement documents / Weighting: 35

II.2.11) Information about options

Options: Yes

Description of options

Contract Extension - The initial contract is for an implementation period followed by 5 years and renewal options of up to 24 months
