Description

Provision of NICOR Consultancy Support for NHS Arden & GEM CSU.

We are seeking a UK-based organisation to provide consultancy services relating to the co-production of the NCAP annual reports.

The successful supplier will be required to undertake a detailed analysis of the work required to support the audit programme, including reading and gaining an in-depth understanding of the care provided by the individual sub-specialty domains of the NCAP, the quality improvement metrics used, the analytical outputs, and the methods used to provide these. The supplier should demonstrate they are adept at the use of graphics packages and especially the use of those available through Microsoft Power BI. The supplier should demonstrate a knowledge of key clinical reference materials and an ability to provide clear methods of messaging, summarising lessons learnt, recommendations

and key messages. The supplier should demonstrate the ability of ensuring consistency with previous years' reports. The preparatory work will need to be undertaken ahead of the annual report delivery and the deliverables managed within the agreed time scales.
