II.1) Scope of the procurement

II.1.1) Title

Insourcing of Clinical Support Services

Reference number

10192

II.1.2) Main CPV code

- 85100000 - Health services

II.1.3) Type of contract

Services

II.1.4) Short description

The framework for clinical insourcing aims to support the increasingly popular use of medical insourcing across the NHS to secure extra clinical capacity to meet increasing demand. This short to medium term solution allows NHS Organisations to retain capacity planning in-house and ensure patients can be seen within the NHS Organisations or via a remote/virtual consultation if appropriate. There are many benefits to this clinical insourcing framework, including; increased visibility of the patient pathway and greater resilience of local services. Provision of a multi-disciplinary consultant led service Triage and clinical assessment of patients Clinically appropriate diagnostics and treatment (excluding surgical interventions beyond day surgery) Provision of onward referral or discharge Follow up appointments Service delivery on site Virtual consultations also available.

II.1.5) Estimated total value

Value excluding VAT: £576,000,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

The procurement is covered by the Government Procurement Agreement: No

Section VI. Complementary information

VI.3) Additional information

An expression of interest in the Insourcing of clinical services PIN is not a tender

response. An expression of interest is no indication of a commitment to participate in the tender nor does it infer any special status on those providers who do submit interest.

Potential providers who do not express an interest will still be able to apply in the future. This expression of interest does not commit the NHS SBS to undertake the procurement
