II.2.4) Description of the procurement

Northamptonshire Police, Fire and Crime Commissioner is looking to establish a framework for the provision of a variety of ICT services. It is intended that the framework will be divided into multiple lots; and final decisions around the formation and number of lots will be made following market engagement. The framework lots intend to cover, but are not limited to, the following areas of ICT services;

ICT Partner for Northamptonshire Police and Fire

A pool of local suppliers to support the provision of small hardware items and services for Northamptonshire Police and Fire

Hardware and Software (National)

IT Consultancy and Professional Services (National)

IT Training Services (National)

Financial intelligence products and services (National)

IT WEEE waste disposal (National)

We have proposed dates for a virtual market engagement for each area at specific times on the 7th and 8th February 2023 and are seeking suppliers who may be interested in the framework to express an interest and indicate which areas they are interested in. If you would like to be involved and attend one of the market engagement events please contact us at commercial@northants.police.uk. You will then be allocated a time slot linked to the the online meeting most appropriate for your area.

II.3) Estimated date of publication of contract notice

1 March 2023
