II.1.4) Short description

Programme CORTISONE is seeking to integrate a number of Commercial Off the Shelf (COTS) products and services to provide an ecosystem of sub-systems that will constitute future UK Defence Medical Information Services (Med IS). The Programme is entering the Delivery Phase and intends to procure products to deliver a Laboratory Information Management System (LIMS) solution for Defence Medical Services' (DMS) military deployments and operations.

The objectives of this Prior Information Notice (PIN) are for the Med-IS Team to:

- a. better understand relevant LIMS providers and products that may solely or collectively provide the capability required,
- b. understand what the market can provide in relation to the services required,
- c. invite the industry to a Market Interest Day to engage with the project team on the LIMS requirement.
