If, after the specified time, they still fail to reach satisfactory levels of contract performance, the matter will be escalated to senior management in Construction and Procurement Delivery(CPD) for further action. If this occurs and your performance does not improve to satisfactory levels within the specified period, this can be considered grounds for termination of the contract at your expense as provided for in the Conditions of Contract. In lieu of termination, CPD may issue a Notice of Written Warning or a Notice of Unsatisfactory Performance.
