### II.2.4) Description of the procurement

Hull City Council (The Authority) has awarded a contract to provide General Practice based NHS Health Check Programme. The contract was awarded via Direct Award - Most suitable provider under the Provider Selection Regime (PSR) . The contract is anticipated to commence 28th January 2025 ending by 31st May 2025. The Authority has estimated the value of the services to be £45,000.

This is a Provider Selection Regime (PSR) award notice. The awarding of this contract is subject to the Health Care Services (Provider Selection Regime) Regulations 2023. For the avoidance of doubt, the provisions of the Public Contract Regulations do not apply to this award.

Content of notice to award under PSR Direct Award Process - Most Suitable Provider.

1. A statement that the relevant authority is intending to award a contract following Direct Award Process - Most Suitable Provider.
2. The name and address of the registered office place of business of the provider whom an award is to be made:

Hullcare Limited, Kingswood Health Centre, 10 School Lane, Hull, HU7 3JQ

3. A description of the relevant health care services to which the contract relates, including the most relevant CPV codes - 85100000 - Health Services
4. The approximate lifetime value of the contract is £45,000
5. Details of the award decision makers - Hull City Council, Public Health Service.
6. A statement explaining the award decision makers reasons for selecting the chosen provider, with reference to the key criteria - considered by Hull City Council and guidance obtained to use PSR regulations.
7. Key Criteria:

Quality and Innovation - We are seeking to achieve health check provision that enables cardiovascular risk to be identified and patient care, support and advice to be optimised following clinical risk assessment. The update of clinical records following the health

check is an essential element of the health check and underpins clinical care, audit and evaluation of programme delivery.

Value - Payment is for a pilot service and acknowledges some service development costs although the majority of the payment is for Health Check Activity.

Integration, Collaboration, Service Sustainability

The Federated delivery model being tested is very attractive as working with a single provider streamlines commissioning processes, ensures more consistency in delivery approach and supports performance monitoring and quality assurance.

Improving access - The approach describes in the pilot is explicitly designed to address inequity in access to health check delivery amongst population groups who experience greater barriers in accessing preventive health care.

Social Value - The provider are Hull based Primary Care organisation who have stated they will re-invest any surplus revenue into clinical services.
