Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The services can be provided only by a particular economic operator for the following reason:
 - protection of exclusive rights, including intellectual property rights

Explanation:

Only one economic operator has exclusive rights for this procurement these biocompatible artificial kidneys prevent adverse patient reactions during haemodialysis. These are prescribed by a consultant nephrologist and are the only clinically compatible product suitable for the treatment of a specific small cohort of patients. No other reasonable alternative exists and the absence of competition is not a result of the artificial narrowing of the parameters of the procurement.
