II.2.4) Description of the procurement

Nottingham City Homes (NCH) is seeking to procure replacement digital care alarms and associated peripherals to enable the Nottingham on Call (NoC) service to continue to provide

an effective and quality service to its customers ahead of the 2025 PSTN switch off. The service has already commenced this replacement programme and is now looking to partner

with a single supplier to complete this process to ensure that best value is achieved. The NoC service is currently expanding its service offer to take advantage of the opportunities that digital connections bring. This includes both mobile care solutions and the ability to provide proactive care through data monitoring. This tender is, however, solely concerned with the replacement care alarm programme.
