The procurement is related to a project and/or programme financed by European Union funds: No

II.2) Description

II.2.1) Title

Pathology Market Updates & Innovation 1

Lot No

9

II.2.2) Additional CPV code(s)

- 85111800 - Pathology services

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

As we see changes in the diagnostics markets and the NHS moves towards a more integrated model of care delivery through Integrated Care Systems (ICS) this framework intends to establish a mechanism for NHS Customers and other health and social care organisations to access the support and services they need to transform how they deliver care.

NHS Supply Chain is looking to procure additional provisions within the Framework term giving new suppliers an opportunity to bid. Lot 9 provides the first mechanism for suppliers of specialist & innovative solutions within the scope of the framework agreement to bid to provide their innovation through the framework for the remaining term

Further details, including a description of the services, is provided in the ITT documents available at the address above

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: Yes

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2) Description

II.2.1) Title

Pathology Market Updates & Innovation 2

Lot No

10

II.2.2) Additional CPV code(s)

- 85111800 - Pathology services

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

As we see changes in the diagnostics markets and the NHS moves towards a more integrated model of care delivery through Integrated Care Systems (ICS) this framework intends to establish a mechanism for NHS Customers and other health and social care organisations to access the support and services they need to transform how they deliver care.

NHS Supply Chain is looking to procure additional provisions within the Framework term giving new suppliers an opportunity to bid. Lot 10 provides the second mechanism for suppliers of specialist & innovative solutions within the scope of the framework agreement to bid to provide their innovation through the framework for the remaining term

Further details, including a description of the services, is provided in the ITT documents available at the address above .

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: Yes

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Open procedure

IV.1.3) Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

Framework agreement with several operators

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

IV.2) Administrative information
