II.1.4) Short description

Birmingham Community Healthcare NHS Foundation Trust (BCHC) provides high quality community and specialist services within Birmingham and the West Midlands. We deliver over 100 clinical services, out in people's homes and in over 200 hospitals, health centres and clinics. We provide services for adults, children, people with learning disabilities, those with rehabilitation needs and also provide specialist dental services.

BCHC employs more than 4,500 staff, delivering more than 100 different clinical services for the one million people of Birmingham and five million people of the West Midlands region. Services are delivered in people's homes and from within more than 200 clinics, health centres and hospitals.

Further information can be found on the Trust website:

<https://www.bhamcommunity.nhs.uk>

Birmingham Community Healthcare NHS Foundation Trust (BCHC) are looking for a supplier(s) who are able to deliver on one or both of the following including a technical support and maintenance agreement for both platforms:

a new organisation-wide intranet

a public-facing website.

Suppliers who are able to offer solutions relevant to this requirement are invited to express an interest and respond to a market engagement questionnaire. Further details on how to do this are contained within the additional information section of this notice.

II.2.3) Place of performance

NUTS codes

- UKG3 - West Midlands

II.2.4) Description of the procurement

Birmingham Community Healthcare NHS Foundation Trust (BCHC) are looking for a supplier(s) who are able to deliver on one or both of the following including a technical support and maintenance agreement for both platforms:

a new organisation-wide intranet

a public-facing website.

The solution should address the requirements described in Annex 1 Feedback on Requirements.

This exercise is intended to provide potential bidders with the opportunity to review the Authority's Briefing Document and to provide information regarding the services they can offer that could meet these outline requirements. This builds on the Authority's commitment to engage with the market, by sharing information and seeking input from the market to enable us to develop the final specification and determine the appropriate route to market in a fair and transparent manner.

Suppliers who are able to offer solutions relevant to this requirement are invited to express an interest and respond to a market engagement questionnaire. Further details on how to do this are contained within the additional information section of this notice.

II.2.14) Additional information

Suppliers wishing to participate in this market engagement exercise and express an interest in this requirement should respond to the questionnaire via the online form on the Bravo Portal by 13:00 on 7th February 2023.
