II.1.4) Short description

Hampshire County Council (HCC) is releasing this Prior Information Notice (PIN) on behalf of Hampshire Constabulary, Thames Valley Police and Joint Operations Roads Policing Unit to advise the market of intentions to put in place a contract for the supply of Home Office approved devices in respect of traffic enforcement detection equipment. This PIN is also to gauge market interest and initiate engagement and dialogue between Hampshire Constabulary and parties interested in supplying equipment, maintenance and calibration of speed detection equipment to discuss possible solutions and market offerings, as detailed below. The engagement process may involve questionnaires, request for information and possibly one-to-one meetings with interested parties (via Teams if required). All meetings shall adhere to Governmental advice in respect of Covid-19. More information will be available presently within the In-tend system at <https://in-tendhost.co.uk/hampshire/>

Procurement description

Instead of

Text

As well as to gauge market interest and initiate dialogue on technology advancements, Hampshire Constabulary (HC) and Thames Valley Police (TVP) are keen to engage with suppliers who supply Home Office type approved devices and those suppliers that have technology awaiting approval. HC and TVP are also interested in discussing if technology is limited to enforcement or expanded to end to end processes.

Text

As well as to gauge market interest and initiate dialogue on technology advancements, Hampshire Constabulary (HC) and Thames Valley Police (TVP) are keen to engage with suppliers who supply Home Office type approved devices and those suppliers that have technology awaiting approval. HC and TVP are also interested in discussing if technology is limited to enforcement or expanded to end to end processes.

This early market engagement is open to ALL potential suppliers for the supply of traffic enforcement detection equipment and provides an opportunity to contribute to the development of the procurement strategy and determining the route to market. Furthermore, this activity will assist Hampshire Constabulary and Thames Valley in specifying their requirements, identify suitable technological solutions and gain market intelligence of how the market could meet their requirements.

Hampshire and Thames Valley have some of the busiest road networks, including SMART motorways, in the UK. We service and work with Highways England and the following local and unitary authorities - Hampshire is made up of four local and unitary authorities; Hampshire County Council, Southampton City Council, Portsmouth City Council and the Isle of Wight Council. Thames Valley Police covers the counties of Buckinghamshire (Buckinghamshire County Council), Oxfordshire (Oxfordshire County Council) and Berkshire which comprises of 6 unitary authorities - Royal Borough of

Windsor & Maidenhead Council, West Berkshire Council, Slough Borough Council, Reading Borough Council, Wokingham Borough Council and Bracknell Forest Council. In addition there is Milton Keynes Unitary Authority.

The Thames Valley Police and Hampshire Constabulary Joint Operations Roads Policing Unit delivers targeted enforcement and education providing a deterrent designed to make the roads safer and reduce the numbers of persons killed or seriously injured.

Please see the following for further information of Hampshire Constabulary and Thames Valley Police
