Derry City and Strabane District Council invite suppliers to tender for PeacePlus Street Art

Reimaging. This project is a reimaging programme using non-political, cultural graffiti art (or similar styles). It will remove unsightly graffiti and paramilitary linked messages and replace them with inclusive, non-political art on the theme of sport (or anything non-contentious agreed in advance with the PEACE Team). It has a specific geographic focus in the Moor DEA (Including Creggan, Brandywell, Bogside, Fountain) and will also secure a Waterside partner to ensure cross-community balance. It will include approximately 1 year of programming and participants will primarily be young people. It will expand the 'Street Art' tradition in Derry~Londonderry, seeking inspiration from other places such as Cork, Waterford, Belfast and Dublin where street art has a growing culture. Arising from the Co-design process in the Moor District Electoral Area (DEA), this project should strive to bring key benefit to that area. This project is under the Community Regeneration and Transformation Theme. Please refer to the CfT documents for further detail.
