It should also be noted that this PIN/RFI invites individuals and organisations to express an interest in this RFI exercise only, and it is NOT a pre-qualification questionnaire, and is NOT part of any pre-qualification or selection process.

This PIN/RFI is intended as an awareness, communication, and information gathering exercise. An expression of interest is no indication of a commitment to participate in the RFI process nor does it infer any preferential or special status on those individuals and organisations who express an interest in the RFI exercise.

II.2.14) Additional information

NECS is utilising an electronic tendering portal (In-Tend) to manage this RFI and as such interested individuals and organisations will need to register on the portal to access the RFI documentation and submit their completed RFI.

The In-Tend e-Tendering portal can be found at:

<https://in-tendhost.co.uk/nhsnecsu.aspx/Home>

Please follow the registration instructions (if you are not already registered) and look for the project NHSE823 Request for Information - Cross Regional Child Health Information Services.

Please note that it is free to register on In-Tend, which can be accessed at any time of day as long as you have a working internet connection.

The Transfer of Undertakings (Protection of Employment) Regulations 2006 (as amended) may apply to a future procurement including the New Fair Deal non-statutory policy setting out how pensions issues are to be dealt with when staff are compulsorily transferred from the public sector to independent providers delivering public services.

The RFI documentation will be accessible from 17 January 2022 and completed RFI responses must be submitted by 4 February 2022.
