II.1.4) Short description

EoECPH wishes to provide support to the NHS and the wider arena of publicly funded services with the provision of innovative learning methods and support services to assist them in meeting system challenges they face, both now and in the future. The purpose of this procurement is to secure service providers, to help upskill individuals who will through a multitude of small actions and changes by them help bring about osmosis within public service provision, which could in best case scenario help to bring equilibrium to pressured parts of the system and bring change and vibrancy to service provision.

Services Skills and Abilities

EOECPH is interested in partnering for this framework with organisations which can demonstrate and evidence the following key characteristics and capabilities, as may be applicable and where so indicated by the Lot requirements:

- Knowledge Transfer
- Embedding if required by the Beneficiary
- Practical leaning and skills sets for an individual with application in their workplace
- Training and delivery – various methodologies & mediums
- Ability to provide a commercial offer that represents good value for money for the Beneficiaries
- Successful marketing and service uptake in a similar environment and/or projects
- Ability to engage with different types of organisations e.g. government, councils, clinicians, health, and social care professionals etc
- Suitable, relevant experience of working with different strata's of a workforce including management, senior leaders or other key stakeholders to ensure cultural change within an organisation.

EoECPH is looking for Providers to work collaboratively with the Hub, and who will be able to provide in-depth support both in terms of practical “hands-on” application of delivery of services as well as supporting the Beneficiaries through training various training mediums to develop in-house skills and upskill individuals. Providers will be able to identify where they are registered or accredited to help support direct award along with any accreditations that in turn their training courses/provision provide to individuals, such as but not limited to:

- Higher education
 - o MBA's
 - o Post Graduate Cert
- Chartered Institute status

II.2.4) Description of the procurement

As part of the ongoing development in the health and social care arena the requirement for true collaboration and integrated services, support for individuals and organisations is becoming more relevant. For the NHS ICS Leaders and Independent Chairs for NHS England and NHS Improvement integrated care systems (ICS) and sustainability and transformation partnerships (STP) have responsibility for the future of the health and care systems within their region, to improve the health and care of the population covered by each respective system.

NHS England identifies this as "The Chair's role is to oversee greater partnership working between the NHS and local authorities, engaging with a range of stakeholders to maximise the benefits of collaborative working, shared decision making and effective governance.

In addition, the Chairs and Leads shape the approach to partnership development and help lead the way to improved health, care and wellbeing, so that people can live healthier lives and get the care and treatment they need, in the right place, at the right time.

Service provision under the framework will need to meet and support individuals in demonstrating achievement understanding of governance requirements applicable to them and the organisations they in turn serve".

It is intended that this lot will support individuals, as Leaders and Chairs, to help them lead and shape services and system development through relevant core upskilling approaches in the following areas as a minimum:

- Understanding the foundation of leadership and being accountable;
- Relevance and understanding of people centric services in conjunction to grouping services, pathway developments and consolidating needs and maximising resources; and

"outside the box" approaches in the following areas as a minimum:

- Techniques to broaden communication impact with compelling communication;
- Understand mechanisms for to grow relationships through partnerships and trust;
- Gain insight from collaborative learning put this into practice; and

- Leading transformational change.
