Procedure

Procedure type

Direct award

Direct award justification

- Single supplier - technical reasons
- Additional or repeat goods, services or works - extension or partial replacement

The main justification for Direct Award to fulfill this requirement is to ensure compatibility, interoperability and TÜV homologation, a globally recognised certification confirming compliance with stringent safety standards under the German Equipment and Product Safety Act. This ensures that braking systems, steering geometry, and operational

controls function seamlessly across all
of the Council's land trains.
