VII.2) Other additional information

In response to the ongoing impact of Covid on supply chain resources, we can advise that an amendment in our internal governance has been achieved to allow an extension of time to be offered.

We apologise to all those who we know have made a special effort to comply with the original deadline that we weren't able to confirm this extension sooner.

For anyone who has already made a submission and would wish to make an amendment during this time extension please make a fresh submission. Where more than one submission is received from a bidder we will carry that received closest to the actual deadline through to evaluation.
