VI.3) Additional information

The SQ/ITT documents are accessible via UK Parliament's e-procurement portal: <http://intendhost.co.uk/parliamentuk>. Tender submissions must be uploaded to the e-procurement portal; electronic responses submitted via e-mail are not acceptable. To access these

documents select the tender reference GSP1274 in the 'current tenders' list, click on the 'view tender details' and express interest by clicking on the button provided. You will need to register your company details, thereafter you will be issued with a username and password. If you have previously registered with In-Tend, please follow the link shown which will redirect you to the home page where you can log on using your existing username and password to collect the tender documents. If you have registered and forgotten your username and password, click on the 'forgotten password' link on the In-Tend homepage. Please keep this username and password secure and do not pass it to any third parties. This tender process is a 2-stage restricted procedure. Those wishing to participate should initially submit a response to the Selection Questionnaire by Thursday 17 February 2022, using the Selection Questionnaire MOI for guidance. A minimum of 5 highest scoring responses to the SQ will then be invited to submit a tender response with a deadline of Friday 01 April 2022. Tenderers should not submit a tender response (2nd Stage) until invited to do so via the correspondence section of the InTend portal. If you are experiencing problems, please contact the PPCS Business Support team via email: ppcs@parliament.uk for further assistance. You are advised to allow sufficient time when responding to this ITT, and for the full uploading of documents, prior to the closing date of 12.00 (noon - UK time) on 17/02/2022 (Selection Questionnaire) and 12.00 (noon - UK Time) on 01/04/22 (Tender Submission). Late tenders will not be accepted. If you are uploading multiple documents you will have to individually load one document at a time or you can opt to zip all the documents in an application such as WinZip or WinRAR.
