Community benefits are included in this requirement. For more information see:

<https://www.gov.scot/policies/public-sector-procurement/community-benefits-in-procurement/>

A summary of the expected community benefits has been provided as follows:

- 'Community Benefits' in this context are contractual requirements which

deliver a wider social benefit in addition to the core purpose of the contract. Examples of Community Benefits

- Community activity – investment in buildings, resources, facilities, (new or repair),

human resources

- Supporting education, learning, schools – school visits, presentations, providing resources, factory / site visits, education, training and learning
- Employment – supporting via apprentices, employing unemployed, training, skills development, supporting return to work
- Economic – support SMEs, 3rd sector / supported business indirectly, directly or via sub-contracting
- In particular, requirements which the authority is particularly interested in for this framework relate to targeted training and recruitment. The Authority is interested in opportunities for the long term unemployed, those not in education, employment or training employment, addressing barriers to employment and personal development through vocational qualifications.
- National Services Scotland and Public Health Scotland have launched NHS Scotland's Community Benefits Gateway.
