## Enterprise Content Management Product Selection

THAMES WATER UTILITIES LIMITED

UK4: Tender notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2026/S 000-001467

Procurement identifier (OCID): ocds-h6vhtk-0601e3

Published 8 January 2026, 1:29pm

### Scope

### Reference

TC2417

### Description

Thames Water Utilities Limited seeks to procure an Enterprise Content Management (ECM) platform. The scope excludes implementation or professional services. The ECM solution will manage unstructured and semi-structured content including documents, records, emails, images, and collaboration artifacts, with robust governance, security, retention and discovery capabilities.

The Authority intends to award a single contract covering software subscription/licenses. Thames Water reserves the right to refine the award criteria.

Thames Water reserves the right to refine the award criteria. Please note that the deadline for asking for access to the PSQ & submitting of the PSQ is Monday, 2 February 2026, at 10 am.

## **Total value (estimated)**

- £5,000,000 excluding VAT
- £6,000,000 including VAT

Above the relevant threshold

## **Contract dates (estimated)**

- 30 April 2026 to 30 April 2031
- Possible extension to 29 April 2033
- 7 years

Description of possible extension:

Thames Water envisages that the contract will be awarded for an initial term of 3 years with options to extend by 1 year or longer, up to a maximum overall term of 8 years.

## **Options**

The right to additional purchases while the contract is valid.

The full scope of the services to be provided and any options that may be considered throughout the term of the agreement, is set out in the Specification issued within the Invitation to Negotiate (ITN) document.
