NUTS codes

- UK - UNITED KINGDOM

Main site or place of performance

Regional development centres are located in;

Crewe

Euston

Glasgow

Coventry

Carlisle

Holyhead

II.2.4) Description of the procurement

Avanti (AWC) is looking to upgrade existing and new regional development centres audio visual equipment with a view to improving the learning and development offering within the train operating company. AWC is looking for expressions of interest from parties that can help deliver integrated solutions to facilitate the delivery of superior training environments.

It is intended that the solution be purchased and all equipment ultimately be owned by Avanti. The interested parties will need to ensure that they can integrate with existing Avanti IT systems and processes. Parties will need to have the capability to design, engineer and install professional audio visual solutions capable of delivering high quality training environment learning outcomes.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents
