Section VI. Complementary information

VI.3) Additional information

- NHS BOB ICB is still finalising its decision regarding the future provision of Alternative Provider Medical Services (APMS) for Shinfield, and is inviting the view and opinions of those organisations that may be interested in delivering this future service.
- This Market Engagement Questionnaire (MEQ), and any subsequent information provided in response to it, does not form an integral part of any potential future procurement and should be considered as an attempt by the ICB to engage with the potential market for delivering future services.
- This MEQ, the accompanying information and the responses received arising from it are in no way legally binding on any party.
- MEQ responses will not be treated as commercially confidential and may be used by the ICB to shape the final Service specification, but no organisation will be individually identified.
- Participation in the engagement exercise is not a mandatory requirement for participating in any potential future procurement; however, responses received will assist to inform the ICB as to the level of interest from the market and may be used to evidence the most appropriate procurement route.
- A response to this notice does not guarantee any invitation to participate in any future public procurement process that NHS BOB ICB may conduct.
