Refer to Draft Statement of Support Requirements (SOSR) attached to this.

The Current scope for the range of equipment that has been identified within the proposed PAXMAN Diesel Engine Support Contract MSS/119 SOSR is estimated at £13 - £18M. This requirement will be contracted to the potential tenderers through MSS/119 Contract for a Contract duration (5 + 2 years)

Estimated value excluding VAT:

Range: between £13,000,000 and £18,000,000

Section III. Legal, economic, financial and technical information

III.1) Conditions relating to the contract

III.1.2) Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

Payment will follow delivery and acceptance of the goods or services via Contracting, Purchasing and Finance (CP&F).

III.1.3) Legal form to be taken by the group of economic operators to whom the contract is to be awarded

If a group of economic operators submits a bid, the group must nominate a lead organisation to deal with the authority. The authority shall require the group to form a legal entity before entering into the contract.

III.1.4) Other particular conditions to which the performance of the contract is subject, in particular with regard to security of supply and security of information

The authority reserves the right to amend any condition related to security of information

to reflect any changes in national law or government policy. If any contract documents are accompanied by a Security Aspects Letter, the authority reserves the right to amend the terms of the Security Aspects Letter to reflect any changes in national law or government policy whether in respect of the applicable protective marking scheme, specific protective markings given, the aspects to which any protective marking applies or otherwise.

III.2) Conditions for participation

III.2.1) Personal situation

Criteria regarding the personal situation of economic operators (that may lead to their exclusion) including requirements relating to enrolment on professional or trade registers

Information and formalities necessary for evaluating if the requirements are met: The authority will apply all the offences listed in Article 39(1) of Directive 2009/81/EC (implemented as Regulation 23(1) of the Defence and Security Public Contract Regulations (DSPCR) 2011 in the UK) and all of the professional misconducts listed at Article 39(2) of Directive 2009/81/EC (see also Regulation 23(2) in the DSPCR 2011) to the decision of whether a candidate is eligible to be invited to tender.

A full list of the Regulation 23(1) and 23(2) criteria are at

<http://www.contracts.mod.uk/delta/project/reasonsForExclusion.html#dspr>

Candidates will be required to sign a declaration confirming whether they do or do not have any of the listed criteria as part of the pre-qualification process.

Candidates who have been convicted of any of the offences under Article 39(1) are ineligible and will not be selected to bid, unless there are overriding requirements in the general interest (including defence and security factors) for doing so.

Candidates who are guilty of any of the offences, circumstances or misconduct under Article 39(2) may be excluded from being selected to bid at the discretion of the authority.

III.2.2) Economic and financial ability

Criteria regarding the economic and financial standing of economic operators (that may lead to their exclusion)

Information and formalities necessary for evaluating if the requirements are met:

Minimum level(s) of standards possibly required: Please see MSS/119 — Supporting information document.

Criteria regarding the economic and financial standing of subcontractors (that may lead to their exclusion)

Minimum level(s) of standards possibly required: Please see MSS/119 — Supporting information document.

III.2.3) Technical and/or professional capacity

Criteria regarding the technical and/or professional ability of economic operators (that may lead to their exclusion)

Information and formalities necessary for evaluating if the requirements are met:
Information and formalities necessary for evaluating if the requirements are met:

This information will be sought through a pre-qualification questionnaire (PQQ) on Award.

<https://award.bravosolution.co.uk/mss119paxman/web/project/66d57b8f-93f9-4adc-b701-36ca355484c8/register>

Minimum level(s) of standards possibly required: Please see MSS/119 — Supporting information document.

Criteria regarding the technical and/or professional ability of subcontractors (that may lead to their rejection)

Information and formalities necessary for evaluating if the requirements are met: Please see MSS/119 — Supporting information document.

Section IV: Procedure

IV.1) Type of procedure

IV.1.1) Type of procedure

Negotiated

IV.1.2) Limitations on the number of operators who will be invited to tender or to participate

Envisaged number of operators: 6

Objective criteria for choosing the limited number of candidates: Suppliers must read through this set of instructions and follow the process to respond to this opportunity.

The information and/or documents for this opportunity are available on Award.

Supplier note: a remote MSS/119 Market engagement Day using Microsoft Teams will be held on 9 February 2021 between 13.30-15.00 to provide further information and answer any questions ahead of the PQQ submission on 08 March 2021.

All questions including Part 2 Form F — Project Questions

The potential bidder's response to all questions up to Part 2 Form F will be scored either compliant (Pass) or non-compliant (Fail). If a response to any question is scored as non-compliant the remainder of the PQQ will not be marked and the company will not be taken forward to ITN.

Where a potential bidder does not return a response to a question, the authority will score the question fail. In circumstances of minor error or omission, the authority reserves the right to decide whether further clarification will be sought. Where a score of fail, one or zero is achieved for any question the PQQ response will be deemed non-compliant and will not be taken further in MSS/119 PQQ evaluation process.

For Part 2 Form F scores will be awarded to these questions based upon answers provided by the potential bidder in their PQQ response through the Award portal. A maximum score of 5 can be achieved for each question and this score will be multiplied by the question weighting to give a total percentage score. The weighting is defined against each question. Each participant will be required to achieve a minimum combined total of 40% against all technical question listed in Section Part 2 Form F to be deemed compliant.

The six (6) Potential Providers for MSS/119 PQQ who receive the highest technical

scores, to two decimal places, will be taken forward to the invitation to negotiate stage.

IV.2) Award criteria

IV.2.1) Award criteria

the criteria stated in the specifications, in the invitation to tender or to negotiate or in the descriptive document

IV.2.2) Information about electronic auction

An electronic auction has been used: no

IV.3) Administrative information

IV.3.1) File reference number attributed by the contracting authority

MSS/119

IV.3.2) Previous publication(s) concerning the same contract

no

IV.3.3) Conditions for obtaining specifications and additional documents or descriptive document

Time limit for receipt of requests for documents or for accessing documents: 5 March 2021 - 5:00pm

Payable documents: no

IV.3.4) Time limit for receipt of tenders or requests to participate

8 March 2021 - 5:00pm

IV.3.5) Date of dispatch of invitations to tender or to participate to selected candidates

9 April 2021

IV.3.6) Language(s) in which tenders or requests to participate may be drawn up

English

Section VI: Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: No

VI.2) Information about European Union funds

The contract is related to a project and/or programme financed by European Union funds: No

VI.3) Additional information

The contracting authority considers that this contract may be suitable for economic operators that are small or medium enterprises (SMEs). However, any selection of tenderers will be based solely on the criteria set out for the procurement. Suppliers must read through this set of instructions and follow the process to respond to this opportunity.

The information and/or documents for this opportunity are available on <https://www.contracts.mod.uk/delta> You must register on this site to respond, if you are already registered you will not need to register again, simply use your existing username and password. Please note there is a password reminder link on the homepage.

Suppliers must log in, go to your Response Manager and add the following access code: 4KK3Z285A7

Please ensure you follow any instruction provided to you here.

The deadline for submitting your response(s) is 08 March 2021 17.00. Please ensure that you allow yourself plenty of time when responding to this invite prior to the closing date and time, especially if you have been asked to upload documents.

If you experience any difficulties please refer to the online Frequently Asked Questions (FAQ's) or the user guides or contact the MOD DCO Helpdesk by emailing — support@contracts.mod.uk or call 0800282324.

SUPPLIER INSTRUCTIONS FOR SUBMITTING THE PAXMAN DIESEL ENGINE SUPPORT CONTRACT MSS/119 - PQQ

- a) The Authority is running this procurement using the ITN process as set out in Regulation 18 of the Defence and Security Public Contracts Regulations 2011.
- b) The PQQ has been published on the Defence Contracts Online (DCO) portal. All

responses to the PQQ must be submitted electronically via the AWARD portal only.

- c) All communication with the Authority will be via the AWARD portal only.
- d) Team Self-Registration is enabled for this Project. The Registration Close Date is on 5th March 2021 at 10:00.

Suppliers can sign up on the MSS/119 Supplier Registration through the following URL:

<https://award.bravosolution.co.uk/mss119paxman/web/project/66d57b8f-93f9-4adc-b701-36ca355484c8/register>

- e) It should be noted that only one user per organisation should register for an account. Once the Authority has verified that the organisation is genuine, the Authority will enable the organisation's Response Team Manager to add a further supplier user to the entity in AWARD.
- f) The response portals for the MSS/119 PQQ have now been sealed so that you are able to provide a response to the tender documents. Guidance on using the portal can be found by logging into AWARD, selecting the "Help" link at the top right of the page, selecting "Supplier's AWARD" from the list on the left hand column and the selecting "Using a Portal Project as a Supplier" option on the main page. This describes the use of AWARD from the supplier's point of view on a single Portal.
- g) Suppliers should familiarise themselves with Draft Statement of Support Requirements for MSS/119 before submitting their responses to the PQQ on AWARD portal.
- h) The AWARD Documents tab contains a "MSS/119 -PQQ questionnaire and response tab" you should submit your responses and upload relevant documents under each section of MSS/119-PQQ questionnaire into this document group.
- i) Responses for the return of this PQQ must be submitted by 8th March 2021 by 17:00hr. All responses must be submitted through the AWARD Portal only.

Suppliers must read through this set of instructions and follow the process to respond to this opportunity.

The information and/or documents for this opportunity are available on
<http://www.dcocontracts.mod.uk>.

You must register on this site to respond, if you are already registered you will not need to register again, simply use your existing username and password. Please note there is a password reminder link on the homepage.

Suppliers must log in, go to your Response Manager and add the following Access Code: 4KK3Z285A7.

Please ensure you follow any instruction provided to you here.

The deadline for submitting your response(s) is detailed within this contract notice, you will also have visibility of the deadline date, once you have added the Access code via DCO as the opening and closing date is visible within the opportunity.

Please ensure that you allow yourself plenty of time when responding to this opportunity prior to the closing date and time, especially if you have been asked to upload documents.

If you experience any difficulties please refer to the online Frequently Asked Questions (FAQ's) or the User Guides or contact the MOD DCO Helpdesk by emailing support@contracts.mod.uk or Telephone 0800 282 324.
