The scheme enables community groups and organisations in Wales to access funding for small-scale projects that contribute to Wales' delivery of the UN Sustainable Development Goals (UN SDGs) and deliver mutual benefits to Wales and Africa. The scheme recognises the contribution of Welsh groups and organisations towards tackling global poverty through the mutually beneficial links the Welsh Government have been supporting over the past 18 years.

The Client is seeking to implement a simple and effective administrative model for the scheme which maximises the amount of funding reaching projects for the benefit of communities in Wales and in Africa. The successful Bidder will distribute approximately 15-20 small grants per annum to support Wales and Africa projects.
