Section VI. Complementary information

VI.3) Additional information

London Bus Services Limited will incorporate a standstill period at the point information on any award of a contract is communicated to tenderers. That information will provide full information on any award decision. The standstill period, which will be for a minimum of 10 calendar days, provides time for unsuccessful tenderers to challenge award decisions before any contract is entered into. The Utilities Contract Regulations 2016 provide for aggrieved parties who have been harmed or are at risk of harm by a breach of the rules to take action in the High Court (England, Wales and Northern Ireland)
