## **Procedure**

## Procedure type

Direct award

## Direct award justification

Single supplier - technical reasons

None viable; Tribal EBS integrates exclusively with AFD, and no other suppliers are supported for this service. Goods/Services are required for repairing or servicing existing specialist plant or equipment; Goods/Services are of a proprietary type only available from a single supplier. The contract is an extension to an existing contract and a change of supplier would cause disproportionate technical difficulties, diseconomies of scale or significant disruption to the College services.
