II.1.3) Type of contract

Services

II.1.4) Short description

The Contracting Authority (hereinafter referred to as "the Authority") for this procurement was NHS Mid and South Essex Integrated Care Board (ICB). On the 6th October 2022, the

Authority invited responses from suitably qualified and experienced providers (via publication of a Contract Notice in FTS, reference 2022-043094) to deliver Primary Medical Services across up to six Lots, via Alternative Provider of Medical Services (APMS) contract(s) for a period of 15 years.

Contracts for Lots 1 to 4 and Lot 6 will run from 01/04/23 - 31/03/38, and the contract for Lot 5 will run from 01/07/23 - 30/06/38. The aggregate value (forecasted financial entitlement) of the contract across all 6 Lots is £91,153,559, including up to £25,000 Allowable Mobilisation Budget on a cost incurred basis, per Lot, in Year 1). (The financial entitlement across all six Lots, minus the allowable mobilisation budget is £91,003,559).

The Lots:

- Lot 1 - Y00999 - Oddfellows Health Centre & St Clements Health Centre - commencing 1st April 2023 until 31st March 2038
- Lot 2 - F81110 - Tilbury Health Centre - commencing 1st April 2023 until 31st March 2038
- Lot 3 - Y02807 - Thurrock Health Centre - commencing 1st April 2023 until 31st March 2038
- Lot 4 - F81206 - Commonwealth Health Centre - commencing 1st April 2023 until 31st March 2038
- Lot 5 - Y00033 - Purfleet Care Centre - commencing 1st July 2023 until 30th June 2038
- Lot 6 - F81684 - North Shoebury Surgery - commencing 1st April 2023 until 31st March 2038

The Authority has procured all six lots as APMS contracts due to the time limited nature of them and flexibilities that they permit in terms of bidding audience e.g. whole of the market and the ability to agree the reporting schedules enabling KPIs that support delivery of the Long-term Plan and facilitates and enables the development of "at scale" provision through the PCN model of delivery. In line with the strategic aims for Mid & South Essex ICB, the system is committed to deliver primary care on a standard contract term to allow for delivery at scale and innovation by offering longer term arrangements. As such, each contract has been awarded for a period of 15 years to give greater certainty for provider to improve value for money, ability to recruit, willingness to invest time and resources. We want to secure the right fit for the specific needs of that population.

The contract that is being entered into by the Authority and the Preferred Bidder will be governed by the Standard Alternative Provider of Medical Services (APMS) Contract.

VI.3) Additional information

The Authority is publishing this Contract Award Notice in accordance with the Public Contracts Regulations 2015 (as amended by The Public Procurement (Amendment etc.) (EU Exit) Regulations 2020) for spend above £663,540.

The Services fall within Section 7 of the Public Contract Regulations 2015 (as amended The Public Procurement (Amendment etc.) (EU Exit) Regulations 2020) (the "Regulations"). Neither the inclusion of a Selection Questionnaire / Qualification Stage, nor the use of the terms Open or One-Stage procedure, Invitation to Tender Process Overview, Invitation to Tender, nor any other indication shall be taken to mean that the Authority intend to hold themselves bound by any of the Regulations save those applicable to Public Contracts for Social and Other Specific Services listed in Schedule 3 of the Regulations (the "Light Touch" Regime).

The Authority may wish to expand the Services during the lifetime of the contract ("Contract modification(s)"). To this end, the Bidder should be aware that after the award of contract, there is a possibility that the successful Bidder may be offered a variation(s) to the contract in accordance with Regulation 72 of the Public Contracts Regulations 2015 (as amended The Public Procurement (Amendment etc.) (EU Exit) Regulations 2020), in the potential circumstances and or situations as further communicated in the ITT Process Overview.

To this end, after the award of contract, there is a possibility that the successful Bidder may be offered a variation(s) to the contract in accordance with Regulation 72 of the Public Contracts Regulations 2015 (as amended The Public Procurement (Amendment etc.) (EU Exit) Regulations 2020), in the following potential circumstances and or situations where necessary;

1. Appropriate alignment of the Service / Contract as a result of changes stipulated either nationally by NHSE&I or required locally by the Authority or it's partners in the Mid and South Essex Integrated Care System (MSE ICS), either to expand the service provision to include complementary Services, or to align the service to changes in need from the eligible service user population.
2. As a result of unanticipated changes in demand including drivers behind for the Service over the term, to support the successful Bidder to evolve the service slowly and sustainability to ensure successful implementation, and to ensure service safety and positive service user experience is maintained.
3. Where additional funding becomes available to the Authority for delivery of service requirements that are similar and or complementary to the Service already included in the

Lot Specifications, at any given time, and do not modify the overall nature of the contract. Such expansion would be by the addition of services commissioned by the Authority or its partners across the MSE ICS, where the business case provides objective evidence that contract variation is the most appropriate course of action, taking account of one or more of the following considerations; service safety, financial and economic impact, innovation, patient and public acceptability, impact on health inequalities, strategic alignment with National/Regional/Local strategic priorities, ability to improve multiple pathways, positive contribution to improved supply / improving service responsiveness, patient experience and health economy impact.
