The intended Form of Contract will be the JCT Intermediate Form of Contract with Contractors design 2016 with sectional completion (Section 1 & 2)

It is intended that following this initial 1st stage selection process to tender the Project with a short-list of Principal contractors during February 2022 with a 4 - 5 week tender period. Following the return of tenders, it is expected that the project would be commenced at the earliest opportunity, subject to satisfactory post tender administration. Please provide the following information as

part of your submission:

1. Details of 3 recent projects that you have completed that are similar in nature and size to this project. Details should include a brief project description, project address, list of consultants, approximate value, form of contract, commencement and completion date, and contact details of either the employer or Project Manager for reference purposes.
2. List brief details of any projects that your company has secured for the future 12 months together with a separate list of other projects that your company is currently tendering for that may commence in the next 6 months. Brief details should include approximate value, approximate commencement, completion date and location.
3. Your proposed management structure for this project.

4. Total number of directly employed staff and the split between office based employees and site operatives.
5. A copy of the company H&S policy and record including any breaches over the last 3 years.
6. Financial information on your company for the last 3 years, together with details of insurance cover held and details of any contracts cancelled or not renewed over the last 3 years.

Would you please return your Prequalification Submission to Gwersyll Llangrannog, Llandysul, Ceredigion, SA44 6AE or by e-mail to lowri@urdd.org to arrive no later than 12 noon on Wednesday 9th February 2022.
