Scottish Enterprise (SE) has 13 office locations throughout Scotland. These are in Aberdeen, Bellshill, Clydebank, Dumfries, Dundee, Edinburgh, Glasgow (two offices), Glenrothes, Kilmarnock, Paisley, Selkirk and Stirling and is looking to put in place local contracts for the cleaning of its office premises. Bidders should note that Dumfries and Selkirk are not within the scope of this tender.

We are looking to award a number of local contracts to deliver regular cleaning and waste removal services at some of these locations. The services will vary depending on the location and this is being tendered as regionally specific lots.

Providing a clean and safe working environment for our staff, visitors and business customers is important to SE, particularly during the current Covid-19 pandemic. We also need to comply with Statutory legislation and regulations for waste disposal of any waste produced on our sites, to ensure this is reused or recycled effectively and recorded as well as contributing to reducing our impact on climate change.
